NOTE:

- These marking guidelines are intended as a guide for markers.
- It is by no means prescriptive or exhaustive.
- Candidates' responses should be considered on merit.
- Responses should be assessed holistically, and points awarded where applicable in terms of decisions taken at the standardisation meeting.
- The marking guidelines will be discussed before the commencement of marking.

INSTRUCTIONS TO MARKERS

Marking the comprehension:

1. Because the focus is on understanding, incorrect signing and language errors in responses should not be penalised unless such errors change the meaning/ understanding. (Errors must still be noted on the grid.)
2. For **open-ended questions**, no marks should be awarded for YES/NO or AGREE/ DISAGREE. The reason/substantiation/motivation is what should be considered.
3. No marks should be awarded for TRUE/FALSE or FACT/OPINION. The reason/substantiation/motivation is what should be considered.
4. When one-sign answers are required and the candidate gives a whole sentence, mark correct provided that the correct sign is clearly indicated.
5. When two/three facts/points are required and a range is given, mark **only** the first two/three.
6. Accept dialectal variations.
7. For multiple-choice questions, accept EITHER OR BOTH the letter corresponding with the correct answer AND/OR the answer signed in full.
